The Issaquah PTSA Council and Maywood Middle School PTSA are proud to sponsor this must-see seminar on ways to keep you and your kids safe in a world where the influence of media of all kinds is everywhere. Technology changes on a daily basis: GET EDUCATED! Back by popular demand, Andrew Phillips will help you explore and gain a better understanding of:

- Video Sharing: YOUTUBE
- MySpace; Facebook
- BLOGS
- Net Lingo
- Instant Messaging (IM); Texting
- Internet Security Software
- Protecting Your Privacy

This seminar is presented in conjunction with a school assembly that MMS students grades 6-8 will see on March 20th. PLMS students grades 6-8 will see it on March 10th.
