

SKYLINE HIGH SCHOOL PTSA PRESENTS, IN PARTNERSHIP
WITH THE SAMA FOUNDATION

March 6th, 2008

ADDICTION

THE SILENT EPIDEMIC TARGETING OUR YOUTH

Parents: The Facts about our Teens' Potential Drug and Alcohol Abuse

- Learn about adolescent brain development and the effects of alcohol and other drugs.
- A guide to communicate your concerns about substance use to your son or daughter, and how to get support for yourself and your youth.
- SAMA is an organization whose mission is to eliminate the disease of substance addiction in youth by advancing research, education and treatment. www.samafoundation.org
