IMPORTANT MEMBERSHIP CAMPAIGN NOTES

When determining your membership structure for 2017-2018, please consider the following items:

1. Everyone is responsible for membership. Make sure that your membership structure (Whether offering single/multiple/community partner / staff, etc.) is discussed and determined by your BOD
2. Important considerations when determining your membership goal for the year:
Will your structure grow family engagement? Is your structure equitable? Does your structure support student support & advocacy?
Will your membership numbers allow you to measure goal progress?
3. Make sure that your membership fees cover the complete cost of membership fees to council/state/national (IRS dictates that general funds may not be used to pay for membership fees)
4. Make sure that your By-Laws, Budget Line Items, and advertised membership structure align
