

MEMBERSHIP FORM QUIZ

Does your local PTA membership form measure up? Use this form to find out!

Use your current membership form to answer these questions. Follow the directions to add or subtract points as indicated.

Add up the total and find out what your score means below!

Does your current membership form:

Contain your school and PTA name? (add 1 point)

Indicate the membership year? (add 1 point)

Tie into your membership drive theme (such as with a picture, logo, or motto)? (add 1 point)

List some of the programs PTA is responsible for at your school? (add 2 points)

Address at least one of the main excuses used for not joining your PTA? (add 2 points)

List the cost of a single person membership? (add 1 point)

List the cost of a two-person membership? (add 1 point)

Request separate contact information for each member? (add 1 point)

Include an option to request or provide a membership scholarship? (add 2 points)

Provide an opportunity to gift a membership to an individual/staff member? (add 2 points)

Include the name and email or phone number of a contact person? (add 2 points)

Spell out directions for returning the completed form? (add 1 point)

Contain an address for those wishing to mail completed forms? (add 3 points)

Have white space more than three fingers wide? (subtract 1 point)

Include information about volunteering? (subtract 4 points)

Mention a "family membership" option that does not specify it is for two people? (subtract 1 point)

Contain more than six lines of writing without a break? (subtract 1 point)

Total score

What your form's score means:

17-20 points: Your PTA is headed for greatness!

13-16 points: A couple of tweaks and your PTA is in great shape.

9-12 points: Pat yourself on the back for taking this quiz! Now you've got the tools you need.

Less than 9 points: Please stay after class.
