

Mission & Goals

2019-2020

Mission

The mission of the Issaquah PTSA Council is to advocate for children at the local and state levels; build strong PTAs/PTSAs through education and leadership support; and provide collaborative opportunities between PTAs/PTSAs, the school district, and other community organizations concerned with the health, welfare, and education of all children.

Goals

1. Support local PTA/PTSA efforts toward increasing family engagement and inclusivity in order to increase their membership.
2. Build engagement in local PTA/PTSA executive boards, committees and general membership by educating and providing strategies to increase diversity and inclusivity.
3. Educate our members about the Issaquah PTSA Council committees and provide updates about new and changing policies and programs including, but not limited to Art in the Schools, Family and Community Engagement (FACE), Outreach, ParentWiser, Reflections, Special Education, and Volunteers for Issaquah Schools (VIS).
4. Increase the advocacy efforts of our members by providing avenues to participate in the legislative process.
