

WE ARE LISTENING

Grab your coffee (or beverage of choice!) and join a **virtual listening session** where we'll listen to persons of color in our community share their experiences of racism.

WHEN: Friday, June 19, 8:45-10:30am (8:45-9:00 will be introductions/get to know)

ZOOM MEETING DETAILS: [HTTPS://US02WEB.ZOOM.US/J/86298034309](https://us02web.zoom.us/j/86298034309)

The purpose of this call is to listen and learn. We will hold additional sessions to discuss what meaningful actions we want to take to promote a safe and inclusive community free of racism and discrimination.

The **Greater Issaquah Equity and Inclusion Community Forum** is hosting this Event. We hope to raise awareness of this group and develop a broader network of voices interested in getting more involved.

We welcome all Community members!
