
And for next year

The 2015-2016 Reflections Theme is:
“Let Your Imagination Fly”

The National PTA Reflections Program is designed to enhance quality arts education. Students in preschool through grade twelve are encouraged to create works of art in the areas of dance choreography, film production, literature, musical composition, photography, and visual arts for fun and recognition. The program brings families, school and communities together by supporting student success through the arts.
