

Influence the Choice Spring Fun Run

April 5th-30th

GET UP
GET OUT
GET GOING

In the spirit of our mission to support the physical, emotional and social wellness of our youth, Influence the Choice is so excited to announce our first Spring Fun Run!

Of course, this year we will be providing the opportunity for folks to participate at their convenience.

Participants will fill out the individual or family registration on our website, print the fun run log and then hit the sidewalks, trails or track and run/walk as often and as far as they like between April 5th- 30th!

[Visit our website for details](#)

On Saturday May 1st, bring your good cheer and fun run log to the Issaquah Community Center between 10-2 to pick up your race tee shirt, sponsor materials and have your picture taken under our finish line.

The first 50 students registered will also receive an ITC Draw String Bag, earbuds, lanyard and more. The school that logs the most miles will receive the Spring Fun Run award to hang at their school!

Our hope is to support healthy habits for youth, adults and families alike!
