

## Proposed Repositioning of Vice Presidents

If the proposed Executive Committee Re-Organization is approved by the general membership the Issaquah PTSA Council will suggest the following change to the Executive Board.

Current Vice President:

Vice President of Middle and High Schools -OPEN  
Vice President of Elementary Central - Erin Eaton  
Vice President of Elementary South – Laurelle Graves  
Vice President of Elementary North - Tracie Jones

Proposed change rationale:

If the general membership approves the proposed re-organization of the executive committee, the VP of Elementary Central position will no longer exist leaving Erin Eaton without a position. The board then appoints Erin Eaton to the position of Vice President of Middle and High Schools. We will need a vote of the membership to ratify this change.

Proposed Vice President Repositioning:

Vice President of Middle and High Schools -Erin Eaton  
Vice President of Elementary South – Laurelle Graves  
Vice President of Elementary North - Tracie Jones
