Issaquah PTSA Council Voting Delegates form

- Only one delegate per position
- You may only vote once (if you hold multiple positions you may not vote multiple times)

Issaquah PTSA Council 2.6 Voting Delegates Form

According to the Uniform Bylaws of the Washington State PTA, the membership of a Council consists of the PTA/PTSA's in its district. The voting delegates of a Council shall consist of the Council Board of Directors, the local unit Presidents and three (3) authorized delegates, two (2) of which may be represented by alternatives. PTA/PTSA's of the Issaquah PTSA Council must file names of the four (4) authorized delegates and the two (2) authorized alternatives prior to the second General Membership Meeting.

Co-Presidents should be aware that the President's position has ONE vote. The other Co-President should be listed as one if the alternate delegates. Members of the Council Board of Directors already have a vote at the Council meetings, so they should not be listed as a PTA/PTSA voting delegate.

A PTA/PTSA should not file the name of a person who is a voting delegate for another PTA/PTSA. Each person has only ONE VOTE, regardless of how many positions that person may hold in PTA/PTSA's or Council.

Middle School Matters

Middle school is a critical stage that parents can't afford to ignore. These years of rapid change offer a low-stakes training ground to teach kids the key skills they'll need to thrive, including making good friend choices, negotiating conflict, regulating their own emotions, be their own advocates, and more. To answer parents' most common questions and struggles, Fagell combines her professional and personal expertise with stories and advice from prominent psychologists, doctors, parents, educators, school professionals, and middle schoolers themselves.

Phyllis Fagell, the author of Middle School Matters, is a licensed clinical professional counselor, certified professional school counselor, journalist, and a mom of three. She currently works full-time as a school counselor in Washington, D.C. and provides therapy to children, teens, and adults in her private practice. She is also a frequent contributor to several well-known publications, including the Washington Post.

ParentWiser is Sponsored by:

Parentwiser Hannah Bowen

ParentWiser brings the latest research and educational information into the homes of our student families to support parents in raising thriving individuals. We are made possible by a partnership with the Issaquah School District PTSA and Issaquah Schools Foundation.

Issaquah Schools Foundation

Established in 1987, the Foundation is a community powered nonprofit helping students build academic foundations, explore opportunities and launch successfully into their future. To date, we've raised over \$25M to support programs within the ISD that are not funded by the state or federal government.

Our key areas of focus are:

1. Academic Support & Enrichment
2. Basic Student Needs
3. Mental & Behavioral Health
4. Community Outreach/Cultural Bridges
5. Teacher Grants

How are we different from PTSA?

While PTSA's support their individual school, the Foundation supports all schools within the district. We help to promote equity by helping to fund programs district-wide.

Current News/How You Can Help:

- Support our fall **Step up for Kids** campaign which runs through October.
- Share Foundation news with your families through applicable channels at your school (social media, e-News, etc).
- Like, Comment, and Share Foundation social media posts.
- Come to our **Parent Connect** Youth Mental Health & Well Being event on October 14th from 9am-noon at Gibson Ek HS.
- Join us at our **Monster Mash 5K Fun Run** on October 28 at 10am. Registration is now open!
- Grant applications will open in November. Encourage staff at your school to bring their innovative ideas to life by applying for a grant!
